COVID Update May 25, 2022

With the choir set to perform again in June, it was decided that it would be in everyone's best interest to hold off on removing masks so that our singers feel comfortable singing in such close proximity and allow for the maximum amount of participation.

Therefore, mask wearing will continue in the Sanctuary during the Sunday Worship Services for the time being.

Mask wearing will continue at McDougall during worship services. We want as much participation as we can get with the choir so felt it best to keep the masks for the time being.
